Subject : **Letter of Appreciation**

Dearest Sean Flynn and Andres Izquierdo,

Indonesia through the Like-Minded Countries (LMC) group, wanted to extend our gratitude for the invaluable support you provided during the Diplomatic Conference on Genetic Resources and Associated Traditional Knowledge in Geneva, Switzerland at the World Intellectual Property Organization, 2024. Your key assistance and expertise were instrumental in achieving the positive final outcome of adopting the Treaty.

Throughout the intense negotiations, your insights and strategic guidance significantly contributed to the success of our efforts. Moreover, your dedication to this cause was evident in your unwavering commitment and availability throughout the conference. Whether it was during formal sessions or behind-the-scenes discussions, your presence and input were crucial in shaping the final text of the Treaty. The meticulous review of language and the identification of key areas for improvement played a pivotal role in aligning the diverse perspectives of the participating nations.

The successful adoption of the Treaty is a testament to the collaborative effort and the high level of expertise brought by everyone involved. However, your contributions were a cornerstone of this success. The Like-Minded Countries group and I are deeply appreciative of the significant impact your support had on the outcome.

Thank you once again for your crucial role in this achievement. We look forward to continuing our collaboration in future endeavors and are confident that your expertise will continue to be an invaluable asset in our ongoing and future projects.

Best regards,

Otto Rakhim Gani
Counsellor
